DETAILED ACTION

1. This office action is in response to application 10/708,684 and Amendment filed on 07/07/2006. Claims 1-20 remain pending in the application.

Allowable Subject Matter

2. Claims 1-20 are allowed over prior art of record.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest or render obvious:

A method of designing a layout of an integrated circuit using an alternating phase shift mask, the method comprising allowing placement of a design object overlapping another design object during design of the layout only in the case that the types of any overlapping phase shape identifiers are compatible.

In other words it means that phase shape regions of the same phase may be laid out such that they overlap, e.g., overlapping of phase shape regions in the mask for adjacent lines or features.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
